## The Next Generation of Award Winning Hand and Surface Sanitising Products

- Highly Effective; Kills 99.9999% of Germs
- Hospital-Grade/TGA Registered
- Moisturises, Nourishes & Protects
- Winner of Multiple National and International Awards
- No Hidden Toxic Chemicals
- Safe For High Frequency Use
- Vegan, Gluten & Cruelty Free
- Formula Minimises The Likelihood of Allergic Reactions or Contact Dermatitis

### No Hidden Toxic Chemicals

Many hand sanitisers do not declare the chemicals used in denaturing the alcohol. Elyptol uses natural Eucalyptus oil to replace those chemicals and at the same time provides an essential oil with aromatherapy and many other benefits.

### Hospital-Grade/ Frequent Use

Elyptol was designed for healthcare professionals who must sanitize their hands frequently. Elyptol is a natural product that can be used 80+ times per day without skin irritation or causing contact dermatitis.

### Effective at Killing 99.9999% of Germs

Highly effective and 1000 times more effective than most sanitisers on the market.

The perfect synergy of science and nature, Elyptol harnesses nature's strengths to create skin-care and hand hygiene products that effectively kill germs harmful to your health.
